

16-02-2026 - Classify and apply the concepts of Linear and Non-Linear data structures in real life problem solving and apply equations on them.

16 February 2026 09:29

Data Structures

Linear Data Structures

- Array
- Stack
- Queue
- Linked list

Non-Linear Data Structures

- Trees
 - Heap
 - Trie
- Graphs

=> Static

=> Non-Static
(Dynamic)

=> Linked-List :
